Ellen on
Fuel Street,
an area that
supports the
iniquity of
the city.

Due to the
influence of
the sprawling
Fuel, the general
retailers had
either closed
down or located
far away. For
the safety of
citizens.

In the not-
so-distant
future, the
world will be
covered in
water.

The expanding
mass of the city
will need more
busyness so I
guess we will
require more
and more Fuel.

In the
future,
this city will
continue to
further
expand...

And just like this, I live on,
unclear as to what my
purpose is.

But...
only my chest
tightens up.

Towards
the daily
surviving
survived

I have no
complaints

There is
still a long
way to go before I'm alone...
I should find
ourselves to
take shelter
from the
rain.

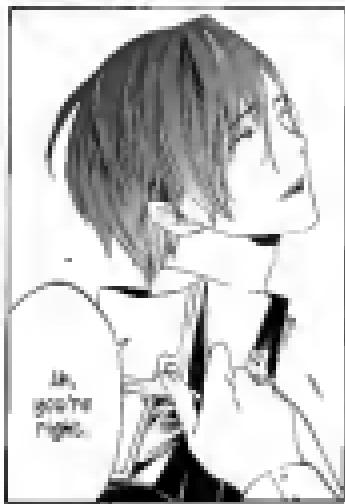

Ah...

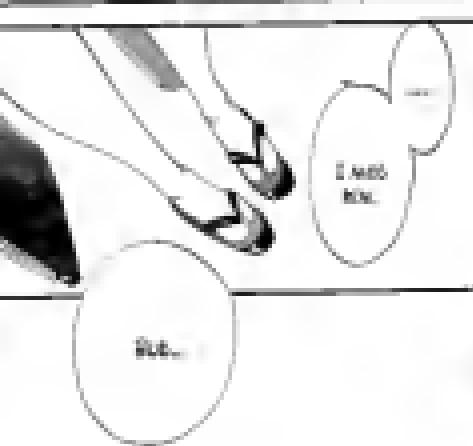

She's clearly smiling, yet it feels like she's about to cry...

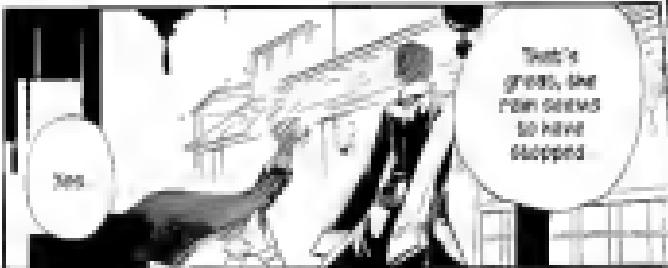

The
man is
thinking
about a
strange
person and
that's

He...
he...

Hag...
God...

Please...
keep this...
until the next...
time we have...
such object...

Please...

REGAURLESS OF HOW MANY TIMES I TELL YOU TO NOT COME HERE ANYMORE, YOU WILL CONTINUE TO COME TO FEEL STREET RUM?

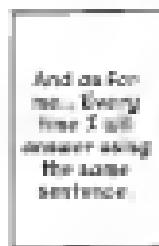

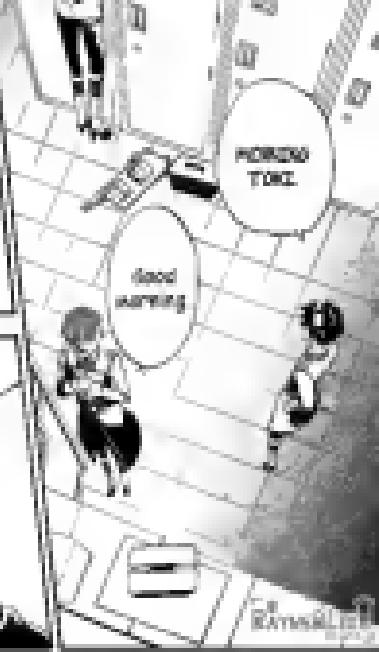

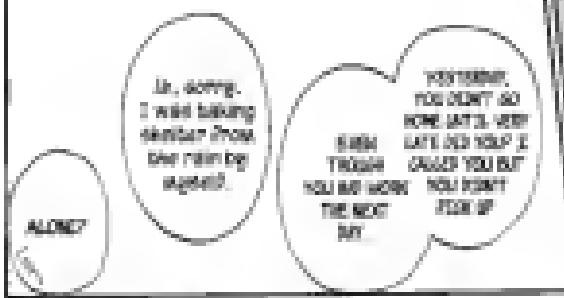

IF IT ADDS
ON ONE THING, IT
WILL BE INEVITABLE
TO CONTINUE THE
RESEARCH MORE.
THOUGH I FEEL THAT
IT WILL BE VERY
PROFOUNDING

THAT I
FEEL THAT

I THINK
IT'S BETTER
NOT TO
CREATE IT...

IF PEOPLE
TRY TO CREATE
AND EXPAND A
WORLD TODAY -
NOT WHERE THEY
CAN IT BE CON-
ROLLED AND HAVE
NO CONTROL OF
THEMSELVES

Occasionally, I will feel a sense of familiarity with people who I've never seen.

From within the darkness embedded in my heart, it creeps with a faint image of a person.

It goes like this: when the other person seems off color, when you might see with your auras when the book of you never is the book in your programming...

-PAT-

WHEN I AM TALKING WITH HER, WHEN I HEAR HER VOICE, I IMMEDIATELY FEEL THAT MY HEART HAS CALMED DOWN.

IT IS STRANGE THAT I FEEL A Sudden ATTACHMENT TO A STRANGER.

HOW DO YOU THINK THAT...

Even though I do not recognize this young woman who looks like she is about to cry, despite the smile on her face...

My heart was stimulated by secret happiness... with a person's shadow that remained in my mind.

In this sparkling, translucent atmosphere...

In this picture where even our fingers are pressed feelings of love... In this sweetly familiar air of laughter...

I feel that
If such a
person really
does exist,
then it must
be her who
is in front
of me...

The girl
before my
very eyes.
But I have
never been
so feeling

Maybe it's
me who has
forgotten
you...

And if it's
like that,
then maybe
tomorrow,
I will once
again forget
you...

Every
day, I will,
without a
doubt,
forget
you...

Every
day, I will
meet you
again by
chance...

And every
day, I will
fall in love
with you all
over again...

Engage
these feelings into
my body...

Let's
continuously...

Yeah
again...

Yes...

Whenever
you appear
in front of
me, I repeat-
edly come to
understand
this feeling...

To be continued.
